Dear Ms. Zehr:

This text submission is in response to your recent request for additional information concerning the above referenced report. The report was amended to add disbursements that were inadvertently not disclosed due to a processing error.

The Committee is taking steps to ensure its reports are correct. An independent consultant with significant experience in political committee accounting and disclosure requirements has been engaged to review compliance and reporting procedures. The consultant will review all financial activity for calendar year 2005 to date and work with the Committee to develop and implement systems for processing contributions and disbursements to facilitate the production of complete and accurate reports.

Please do not hesitate to contact me if you require further information.

Sincerely,

Andrea Green
